

a great square has no corners

a great work
is never done with

a great shout
comes from a whisper

and the greatest of forms
is beyond
shape

Tao without substance
invisible
ever-creating
forever creating

Lao-Tzu

A great square has no corners

A great work
is never done with

A great shout
comes from a whisper

and the greatest of forms
is beyond shape

Tao without substance

Invisible
Ever-Creating
Forever creating

Lao-Tzu
